## Remarks

Beautifully renovated and expanded 1930's era colonial featuring Arts and Crafts inspired addition. High ceilings throughout. The well designed granite kitchen with center island opens to the sunny family room with walls of windows and looks out to the deck beyond. Spacious vaulted ceiling master suite with private bath and dressing room. Professional landscaping provides privacy for evenings in the hidden hot tub. All on a neighborhood side street near Kelly Park, Boulder Brook conservation land and popular Bates Elementary School.
